<p>EGMS-9338, 22 Mar 71</p> <p>For your information.</p> <p>1. [] transmitted the letter from [] to UTILITY through our usual contact for this purpose, []. [] added a note of his own felicitating UTILITY on his birthday on 3 April 71. UTILITY has responded to both writers with a short note of appreciation and the reply to [] is forwarded under separate cover.</p> <p>2. We might take this occasion to note that, since the events reported in EGMA-74651, we have not felt it necessary or desirable to have contact with UTILITY other than such social encounters as hc and [] very sporadically have. That relationship remains cordial, and [] reports that UTILITY appears to have understood the JKLANC position regarding the awkwardness of contact with him on subjects of current concern to Catribe. The way remains open for further direct contact with the Base should that be judged at any point to be desirable.</p>
